Isn't it funny, how folks spend money  
For things to be cast aside  
But such is the fate, it's sad to relate  
Of cards sent at "Christmas Tide".  
Here's one for you - I hope will do,  
My wishes for you are, So Many  
Just throw it away after Christmas Day  
The darn thing, only cost a penny.

Santa Claus Mansion in  
the County of the Clouds  
December 25, 1951
